DAYTON

New! IMPERATOR CARROT—An unusually fine-grained, tender carrot. Rich orange color, indistinct core. Roots are smooth, tapered to semi-blunt. *Try it!*

New! STOKESDALE TOMATO—An extremely important new development, because it gives the gardener, for the first time, a 7-oz. tomato of streamlined proportions which matures in the second early group. Exceedingly solid flesh and small seed cavities. *Try it!* Packet, 10c.

New! GOLDEN TABLE QUEEN SQUASH—Splendid for summer use and excellent for winter storage. All-America Bronze medal winner 1939. Skin is beautiful golden color; deep yellow flesh. *Try it!*

New! NEW HAMPSHIRE HYBRID EGG PLANT—1939 All-America Silver Medal award. The dark purple fruits are of highest quality. Low, bush type plants. Recommended for home and market gardening. *Try it!*
